

St. Paul's Bloor Street Financial Update

June 2022

*"For the Lord is good and his love endures forever;
his faithfulness continues through all generations."*

Psalms 100:5

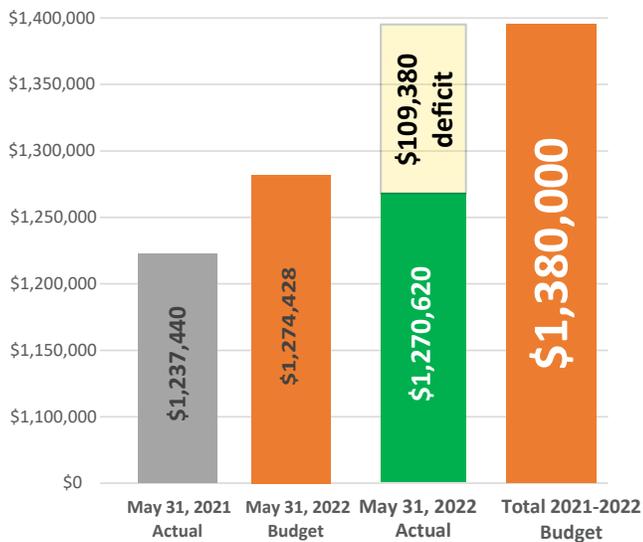

St. Paul's Bloor Street opened its door on June 12, 1842. 180 years later we praise God for all the blessings God has given us. The financial support by past and current members of the St. Paul's community, are making an eternal investment in people both locally and internationally.

Thank you to everyone who have been able to financially support the ministry!

The pandemic has had a significant emotional, mental and financial impact, but we go forward in our ministry so **future generations can see God's goodness.**

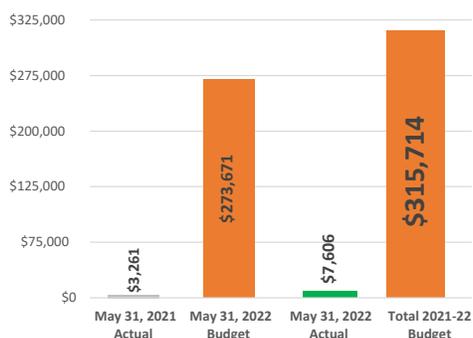

Financial Contributions By Members

June 30 marks our fiscal year end. Our 2021-22 budget is to receive offerings totalling \$1,380,000. As of May 31, we had received \$1,270,620. **Our goal for June is to receive \$109,380 to meet our ministry budget.**

Events & Catering Revenues

As of May 31, \$7,606 was generated in events & catering revenues. Event rentals are definitely picking up for next year however, due to the ongoing nature of the pandemic, we are \$308,108 behind our 2021/2022 budget.
