

Alpha FAQs

What does the Alpha course cost?

The course is free! The only thing it requires is an investment of your time.

Do I have to commit to all 10 weeks?

No, you don't! But we do recommend that if you come a few times to get a good taste of what Alpha is all about.

Can I watch the videos beforehand?

Here are some Alpha videos to get a feel, but don't miss out on the real core of Alpha -- the meal and the discussion groups!

I'm already a Christian, is Alpha for me?

Alpha meets people at all stages of their faith journey, but is designed especially for people exploring what it would mean to follow Jesus. If you're already a Christian, consider inviting a friend who's spiritually seeking to take the course with you.

And if you invite a friend to take Alpha with you, we'll make sure you're in the same group. Not sure how to invite a friend?
